ALL RIDERS WELCOME!

OHIO'S FASTEST GROWING RIDE!!! REGISTER TODAY TO RESERVE YOUR STARTING SPOT!

The goal of this event is to have FUN. Come and strive for a personal best, or just enjoy a nice ride in the country!!!

About the ride....

The tour de donut bicycle race is a spoof on the Tour de France. From the mass start, the route of approximately 30 miles (or 15 for the MINI) follows lightly traveled rural roads over flat terrain. Riders stop at checkpoint stations (donut stops) and eat donuts. There will be plenty of fruit and other refreshments for those who do not eat donuts. Though donut consumption is not mandatory, the rider is awarded a 5 minute time credit for EACH donut eaten. Are you a good enough cyclist and eater to go into negative time? While the ride is timed, it is not a race. All traffic rules must be followed during the event. Roads will not be closed to traffic.
